Employment

University of Limerick, 06/2016-
Senior Lecturer in Financial Mathematics.

Technische Universität Chemnitz, winter term 2015/2016
Professor in Financial Mathematics.

Dublin City University, 08/2012-05/2016
Lecturer in Financial Mathematics.

Deutsche Bundesbank 09/2011-07/2012
Marie-Curie Fellow, Research Centre (Frankfurt).

Vienna Institute of Finance, 12/2007-08/2011
Senior Researcher.

Universität Wien, 2004-2007
Research Assistant, Fakultät für Mathematik

Academic Degrees

Venia Docendi for Mathematics, Universität Wien, 11/2014
Habilitation Thesis "*Affine Processes*".

Dissertation in Mathematics, Universität Wien, 09/2006
Doctoral Thesis "*The Wave Equation on Singular Space-Times*", with distinction.
Supervised by Michael Kunzinger and Roland Steinbauer.

Diploma in Technical Mathematics, Technische Universität Wien, 01/2004
Master Thesis "*P-adic Differential Equations*", with distinction.
Supervised by Norbert Brunner and Alain Escassut.
